On June 1 and 2, we were thrilled to host our 41st Annual Golf Classic and VIP Reception. The weather cooperated and everyone had a blast!

Our Golf Classic VIP reception included 150 of our closest corporate partners, donors, and guests, including special guests, actor Joe Mantegna, his wife Arlene, and daughter Mia. The band, sponsored in part by Board member Fred McClendon, was Maggie Speaks, and they rocked the

house!

The Golf Classic the next day filled both courses at the beautiful Grand Geneva Resort and Spa, with 250+ in attendance. There were many exciting raffles throughout the day, such as the Golfer's Delight, Golden Ticket for a chance to win two badges to the Masters in Augusta Georgia in April 2024, and a Squares Board raffle filled with amazing prizes. The food was delicious on both days and the weather was absolutely beautiful.

Thank you to our emcee for the VIP/golf outing, Steve Kashul, and to event co-chairs, Mike Atieh and Brian Patel. Check out some photos from the two events.
