Thanks to the generosity of 70 volunteers from BDO, Easterseals Academy Chicago Campus students enjoyed a special, surprise Field Day on Friday, July 28th.

BDO is an international network of public accounting, tax, consulting and business advisory firms and a partner of Easterseals Serving Chicagoland and Greater Rockford. BDO's volunteerism is part of the their firm's social impact and community focus initiative, BDO Counts.

Alongside our BDO volunteers, students enjoyed crafts and indoor games, including basketball and bowling, in the gym, and then moved outside for water play and chalk! Our volunteers graciously provided Jimmy John's for our staff. Check out some photos from the day.
