

CCB Technology CEO Surprises Easterseals Academy Students with School Supplies

Oct 19, 2023

Patrick Booth, CEO of CCB Technology, paid a special visit to our Easterseals Academy Chicago Campus on October 16th to distribute school supplies to our students!

Patrick Booth, CEO of CCB Technology, paid a special visit to our Easterseals Academy Chicago Campus on October 16th to distribute school supplies to our students!

Our students were thrilled to meet Patrick and delighted by his generosity. Patrick's visit was part of his "Surprise & Delight" outreach, which are opportunities for him and CCB Technology to give back to the community. We are so grateful for Patrick and CCB, both personally and professionally.

Check out some photos from the visit.
