Easterseals Academy Tinley Park Campus celebrated together with a "Thanksgiving Around the World Potluck" on Tuesday, November 21. Cuisine options included Puerto Rico's Arroz con Gandules, Asian egg rolls, Mexican rice and cornbread, a Polish sour kraut and noodle, a Syrian salad, and a Filipino dish called Pancit.

"It was such a fun way to kick off the holiday season and gather the staff together," said Nicole Moya, paraprofessional and head of [the Sunshine Committee](#). "I believe it makes us a stronger team."
