

Help us Embrace Abilities, Expand Possibilities with a Year-End Gift

Oct 25, 2022

Help us in Embracing Abilities, Expanding Possibilities. That's our tagline and North star. Every person our affiliate serves has unique abilities. Our job is to help those abilities shine to expand their possibilities today and in the future.

Dear Friends,

Autumn is upon us, and as the season changes and the year's end approaches, we reflect on another year of incredible work at Easterseals Serving Chicagoland and Greater Rockford.

Every day, we remain committed to two—often interconnecting—pillars of work: Early Learning and Disability. Through these pillars, we deliver on our mission to transform the lives of early learners and individuals of all abilities through access to expert educational, family, and community support.

Embracing Abilities. Expanding Possibilities. That's our tagline and North star. Every person our affiliate serves has unique abilities. Our job is to help those abilities shine to expand their possibilities today and in the future.

Our programs and services in the early learning space and in the autism and disability space meet critical needs for thousands of clients across hundreds of communities in Chicagoland and Greater Rockford. We bring unmatched expertise and evidence-based models in early childhood and disability to provide high-quality services coupled with caring, kindness, and empathy.

We make a difference in the lives of those we serve.

We make a difference in the lives of those we serve.

Now, more than ever, our work and mission are essential. We humbly ask for your investment to help us continue to embrace abilities and expand possibilities for early learners and individuals with disabilities. Please give to Easterseals Serving Chicagoland and Greater Rockford for our annual appeal today.

All eligible dollars will be matched dollar for dollar thanks to the generosity of The Joan and Paul Rubschlager Foundation and the Coleman Foundation.

In the work,

Sara Ray Hallman, PhD
President and CEO
