

Huntington Bank Staff Members Volunteer at Easterseals Academy

May 04, 2024

Huntington Bank volunteers joined our students at Easterseals Academy to take part in group art activities, sports, board games, and mock interviews.

Huntington Bank volunteers joined our students at Easterseals Academy to take part in group art activities, sports, board games, and mock interviews. They also proudly received some customized swag from HB Threads, our non-profit social enterprise that provides employment opportunities, job training and life skills development for individuals with disabilities while providing the highest quality

customized apparel, buttons, and magnets to customers. Check out some photos from the day and thank you to Huntington Bank for the gift of time and presence.
