

St. Patrick's Family Fun Night Enjoyed by All

Mar 16, 2023

St. Patrick's Family Fun Night at the Winnebago Public Library was a great success.

St. Patrick's Family Fun Night at the Winnebago Public Library was a great success. Families and children enjoyed crafts, activities, face painting, treats and more. The event was co-sponsored by The Autism Program at Easterseals and Family Support Services. Thank you to Katie Andrews and her daughter who volunteered to do face painting. Check out our photos from the day.
