Easterseals Academy students had an unforgettable experience at our recent White Sox Youth Baseball Camp at Easterseals Academy's Chicago and Tinley Park Campuses!

Easterseals Academy students had an unforgettable experience at our recent White Sox Youth Baseball Camp at Easterseals Academy's Chicago and Tinley Park Campuses!

Coaches from the Chicago White Sox spent the mornings teaching our students to hit, pitch, and run the bases, creating an inclusive and joy-filled day on the field.

We are so grateful to our partners at the Chicago White Sox for bringing this experience to our students and to Huntington Bank for volunteering and making the day even sweeter by handing out popsicles to everyone.

Thank you for helping create memories that our students will carry for years to come!
